## Chailey School lands two national awards

Chailey School has received national recognition for the value it adds to enable students' high achievement at GCSE.

The school has qualified for two SSAT Educational Outcomes Awards by being in the top 10% of schools nationally for progress made by pupils between key stage 2 results at the end of primary school and GCSE results at age 16, and in the top 20% nationally for high attainment.

The school has been invited to receive their awards at a regional celebration ceremony hosted by SSAT at Holland Park School in London on 12 May.

Sue Williamson, Chief Executive of SSAT said:

'Chailey School should be congratulated for their exceptional achievement. They have proved themselves to be leading the field in improving GCSE outcomes for their students. There is so much good practice that this school could share, and I hope they will join us at the celebration evening for the chance to network and share strategies with award-winning schools.'

'These results are testament to the commitment and hard work of the students, teachers and leadership team at Chailey School, and show what can be achieved when skilled teachers have high expectations and ambition for every young person. I am proud that this school is a member of the SSAT network.'
