## CHAILEY SCHOOL PRAISED IN OFSTED REPORT

---

Chailey School was inspected by Ofsted on the 19<sup>th</sup> and 20<sup>th</sup> January 2022.

Head Teacher, Helen Key, commented 'I am so proud that our key values of kindness, creativity, independence and resilience come through so strongly. We have worked hard to make sure our students are happy and valued and to be more than just an exam factory.'

The Chailey School Chair of Governors, David Whelpton, gave the following statement 'As Governors, we are delighted that Ofsted has recognised the kindness of the school, the benefits of our broad and balanced curriculum and our focus on the importance of knowing each individual student. The report is a testament to our young people and the hard work and commitment of the whole staff team. The pandemic has stretched students and staff to the limits, but they have been utterly brilliant.'
