

Careers resources for teachers

We have an interesting programme of work-related activities and events for our students, please ask Rhonda Ziman, our work-related learning administrator, for more information.

Resources on our website and school network

Careers Policy <http://www.chaileyschool.org/media/5667/careers-policy-dec-2020-23407.pdf>

Careers Programme: <http://www.chaileyschool.org/media/5657/ceiag.pdf>

We are constantly updating our Careers Programme so do please speak with Rhonda Ziman if you have any questions

In our shared resources on the school network:

Draft Careers Calendar – under review, please speak with Rhonda if you have any ideas you'd like to be considered

Careers News – slides that can be included in the weekly bulletins in form time or PHSE careers activities

Apprenticeship information – information and slides that can be used for presentations and careers sessions

Work experience – list of all placements students are undertaking, and progress towards finding one

College applications – list of which colleges each student is applying to

Destination data – list of where school leavers are now

Careers Trips and Assemblies – list of trips this academic year, with information about the trip and names of students attending. Also assemblies and presentations/workshops from external speakers.
