CREATIVITY TAKES COURAGE

@ChaileySchool

Weekly Message from Mrs Key

Grateful Thanks to the Friends of Chailey School

The Friends of Chailey School (FOCS) are our PTA. They do an incredible job at supporting the school through fundraising, supporting school activities and holding events.

Over the last academic year they supported us with the cost of an outdoor canopy. This expensive item has really enhanced our social space, providing a civilized sheltered area in which to sit and chat and eat. They also supported our annual awards evening by donating the funds for the trophies. We are proud to have given out over 70 prizes and were able to award new 'cups' for students who show our Chailey values.

This year the Friends of Chailey School are working with us to really enhance our library space. The library is the heart of the school and we are reimagining it to be a cosy venue for reading and relaxing. The Friends have committed to paying for comfy chairs, new shelving and new stock of books. We will be surveying staff and students about what books will enhance our library and also organising a 'donation' day later this year, where you will be able to drop off any books you may have to gift to the school.

The Friends really need your support! They are friendly and efficient. If you are able to give a little time to help support them, please contact the Chair, Caroline Goodwin, on friends@chaileyschool.org

'I Heard a Wispa' Nominations

Each week we ask teachers to nominate a student to receive a new R3 and their names are then published in our newsletter. Two students in each year group (7 and 8) will then be picked at random from the list to receive a 'Wispa' - delivered to them from Mrs Key. Nominations and the winners for this week are below.

HAVE A GREAT WEEK!

Calling All Former Students

**If you're a former student of Chailey School,
we want to hear from you!**

Your experiences since leaving could help to motivate and inspire our current students to feel more confident in making decisions about their future. We'd love you to join our alumni network and stay connected with the school.

We've partnered with the national education charity **Future First**, who specialise in helping schools like ours to stay connected with their former students.

You can choose how and when you help – perhaps you can act as a career and education role model, provide work experience, become a mentor in person or online, or help with donations, fundraising or even apply to become a governor.

It doesn't matter when you left us, whether you're in further education or employment, whether you still live nearby or have moved further away, there are still ways you can help.

In order to sign up, just follow this link and fill in the online form – we promise it will only take a couple of minutes.
