## Weekly Message from Mrs Key

It has been such a busy week in school. Year 7 have enjoyed their day of Team Building at Branching out which has seen them conquering their fears, taking on new challenges and learning and having fun together. The feedback I have had from the students is that they have made even more new friends, built their confidence and generally had an amazing time.

We have also held our first week of Open Morning tours for primary families. Again, the feedback I received directly has been so positive, particularly on the calm and welcoming environment and the focused teaching and learning going on around all areas of the school.

## Important Dates

### Monday 10th—Thursday 13th October

Open Mornings (*places to be booked through school office*)

### Wednesday 12th October

Success in Year 11 Evening (6pm)

### Thursday 20th October

Welcome to KS3 Evening (6pm)

## EQUESTRIAN DUO

Last Sunday, the 25th September, Sophie Goddard (Science teacher) and year 9 pupil took a trip to East Byshee to compete (with their horses) in the Hunter Trials doing the XC 80cm pairs.

They had a super day but sadly did not place due to a couple of fence refusals.

Yesterday Oscar competed in the Sussex Tumble Championships and won the age 13-14 Regional 2 group. He has worked very hard for this as it is a jump of two competition levels from his previous comps. He trains 4 times a week at Sky High in Uckfield and also helps with coaching the junior tumble squad alongside his coaching team. He has further competitions coming up so hopefully he will continue to do well.

## 'I Heard a Wispa' Nominations

Each week we ask teachers to nominate a student to receive a new R3 and their names are then published in our newsletter. Two students in each year group (7 and 8) will then be picked at random from the list to receive a 'Wispa' - delivered to them from Mrs Key. Nominations and the winners for this week are below.

## **Calling All Former Students**

**If you're a former student of Chailey School,  
we want to hear from you!**

Your experiences since leaving could help to motivate and inspire our current students to feel more confident in making decisions about their future. We'd love you to join our alumni network and stay connected with the school.

We've partnered with the national education charity **Future First**, who specialise in helping schools like ours to stay connected with their former students.

You can choose how and when you help – perhaps you can act as a career and education role model, provide work experience, become a mentor in person or online, or help with donations, fundraising or even apply to become a governor.

It doesn't matter when you left us, whether you're in further education or employment, whether you still live nearby or have moved further away, there are still ways you can help.

In order to sign up, just follow this link and fill in the online form – we promise it will only take a couple of minutes.
