

Weekly Message from Mrs Key

I want to tell you how incredible your children were with fundraising for Children in Need. Participation, kindness and community are three of our key values and they were on display for all to see last week as students designed and created ways to raise money for this important cause. I think they had lots of fun too. Year 7 need a special mention for the Children in Need Fayre which they put on with games and prizes and sumptuous treats.

We are also so proud of our students who took part in Remembrance

Events out in the community as well as at school.

Of course, there has also been so much hard work this week in school too. We are really pleased with the way the vast majority of Year 11 managed the first week of their first trial exams. Some really important dates for Year 11 families are coming up early in January so please take note. On Monday 9th January students will receive their trial results. We will also send these home to you. We will follow this with a motivational workshop for identified students and a further assembly on collective pride and responsibility later in the week. Year 11 Parents' Evening is an in-school event on Thursday the 12th January and we would encourage every family to attend with their child. This will be followed by an intervention evening just for invited families on the 18th January. Please do save these dates. All the research evidence tells us students do best when there is high support and high challenge from both school and home.

Chailey School Library Needs You

We are delighted that The Friends of Chailey School have agreed to support us in having a really big drive on updating and adding to our library stock this academic year. Before we decide what to buy, we want to ask you if you can help us. You may have unwanted books lying around, or even be tempted in gifting us a book? The Head of English, our School Librarian and myself met with students to find out what they want to see in the library.

We are going to have a book donation day on the 7th December but if you want to give us books any earlier, we will obviously be delighted.

This is what our students came up with:

What We Do Want

Fantasy
Sci-fi/dystopian
Mystery/crime
Thriller
Action/adventure
Contemporary (romance/teenage identity
Family/mental or physical health)
Young Adult
KS4 general fiction
Non-fiction appropriate for teens

What We Don't Want

Books aimed at Primary age students
Books studied at Chailey already
Picture books
Tom Gates books
Diary of a Wimpy Kid books
Books by: David Walliams, Patrick Ness
Anthony Horowitz, Darren Shan,
Philip Reeve, Philip Pullman,
Jacqueline Wilson
