1 Introduction

This policy applies to most situations where adults acting in the course of their employment take responsibility for children and young people taking part in offsite activities and visits and onsite outdoor activities

Chailey School provides many opportunities to enrich the curriculum for its students through off-site activities and educational visits. These include theatre trips, residential activity weeks, ski trips, and visits to **European and other** countries. We also have a thriving Duke of Edinburgh Award scheme.

1. The value of Learning outside the classroom are fully understood by the school and each visit will set out a clear purpose and learning objectives, which will be reviewed at the end of each visit to see if they have been achieved.
2. The safety of students and staff on offsite visits is paramount and Chailey School will follow the requirements and guidance from ESCC offsite activities and educational visits policy and also refer to National Guidance produced by the Offsite Education Advisors Panel.
