A handwritten signature in black ink, appearing to read "Judith Myles", is written over a horizontal line.

Head Teacher:

A handwritten signature in black ink, appearing to read "Helen Key", is written in a cursive style.

Careers Governor:

A handwritten signature in black ink, appearing to read "C. Doolan", is written in a cursive style.

Date for Review: December 2024

Introduction

Chailey School believes that a young person's career begins with their pathway through learning and work. All young people need a planned programme of activities to help them make appropriate 14-19 choices and to manage careers throughout their lives. We believe that careers education is an essential component of the curriculum, and we are committed to providing a planned differentiated programme of Careers Education for all students in Years 7 – 11, together with appropriate Information, Advice and Guidance (CEIAG), in accordance with the Department of Education's guidance September 2022*. Chailey School follows the CDI Career Development Framework 2022.

Overall Aims

The CEIAG programme at Chailey School is designed to help students make the most of themselves and their opportunities and is links to the national framework for 'careers, employability and enterprise' (CDI 2022) and the Gatsby Benchmarks. In particular, it aims to help them:

- Develop their knowledge and understanding of the changing nature of work, learning and careers.
- Extend their understanding of opportunities in learning and work.
- Make good use of information and guidance.
- Develop and use their self-knowledge when thinking about, and making course and other choices.
- Develop and use the skills they need to review achievements, plan future actions, make decisions, present themselves well and cope with change and transition.

Commitment:

Governors and Staff are committed to:

- Providing a planned programme of activities to which all students are entitled and will have access.
- Using all available resources to ensure that no student is disadvantaged in gaining access to education, training or work.
- Ensuring that students progress to an opportunity in further education, training or employment.
- Involving young people and their parents/carers in programme activities and further developments.
- Continuing to use Compass+ to audit and plan our provision against the Gatsby Benchmarks.
- Career professionals employed within the school abide by the professional standards of the Careers Development Institute Framework (CDI).
- Working with employers to engage students in work related learning – including work experience.

Entitlement

Learners are entitled to CEIAG which meets professional standards of practice and which is delivered by trained staff and which is person-centered, impartial and confidential. Activities will be embedded in the curriculum and based on a partnership with learners and their parents/carers. The programme will raise aspirations, challenge stereotyping and promote equality and diversity.

Management

Responsibility for imparting of CEIAG in the classroom and Community and Culture falls to the FLT of PE/PSHE and Subject Leaders. We invest in independent careers advice for one to one guidance sessions whilst the Work-Related Learning Coordinator is responsible for work experience, vocational learning and careers visits and talks from employers and colleges to enhance CEIAG. These roles are overseen by the Deputy Head Teacher.

Delivery

The Careers Leader is Louise Poole (Deputy Head Teacher). The Careers Education Programme includes careers lessons taught through Community and Culture, PSHE, careers talks, enterprise sessions, careers evenings and work experience and preparation. All staff contribute to CEIAG through their roles as tutors and subject teachers. The CEIAG programme is differentiated, planned, monitored and evaluated by the Deputy Head Teacher in consultation with the Head of PSHE and the Work-Related Learning Coordinator.

Resources

Careers lessons are taught through PSHE and the Community and Culture programme and students have access to a dedicated Careers Library situated within the Main School Library. Within this there are computers available to use and information on accessing various websites for impartial careers information. Information is also available on the school website.

Guidance

All students have access to one to one careers appointments with an independent qualified Careers Adviser. All staff should, when approached by students, respond with appropriate guidance, support and signposting. All guidance aims to be impartial, confidential (within safeguarding policy guidelines), responsive to students' needs and based on the principle of equality. Students can also see the Work-Related Learning Coordinator for further information. Access to various websites and the CEIAG programme can be found on the school website.

Training

The Work-Related Learning Coordinator attends the ESCC and CEC Careers Hub, (CEC is a Careers and Enterprise Company) and also any training provided by ESCC on Labour market information, apprenticeships, NEET as well as CPD in line with CDI requirements. Training needs of staff are identified through annual PSHE meetings and appropriate arrangements made by I/C PSHE.

Consultation

The policy has been written in consultation with selected staff including Louise Poole (Deputy Head Teacher), Gail Wickens (Work-Related Learning Coordinator) and Jennie Cole (Enterprise Coordinator – Employability and Skills).

Other Relevant Policies

The policy for CEIAG supports and is itself underpinned by a range of key school policies.

Safeguarding and Child Protection Policy

SEND Policy

Single Equality Scheme

Able, Gifted and Talented Policy

Pupil Premium Grant Policy

Monitoring, Review and Evaluation:

All programme activities will be monitored, reviewed and evaluated with active involvement of students.

The findings will be used to steer the programme's development plan for the next academic year.
