

Art Curriculum Key Stage 4

Contextual studies are integral to all projects and pupils are encouraged to look at a range of artists and art movements, western and non-western in each project.

MAN-MADE/ORGANIC

Exploration of media in drawing, development of ideas and either sculpture materials or textile techniques. To include and build on presentation and research skills and final ideas

Expressive portraits

Exploration of media, in drawing, painting, printmaking, presentation and research skills

TRIAL EXAM

Apply knowledge, skills and understanding of units 1+2 to a themed project, demonstrating a personal response within given time constraints

FINAL EXAM

Pupils are given an exam title. They spend approx 20 school hours preparing for the exam. They should demonstrate all skills developed in previous units; including drawing from observation, developing ideas, experimenting with media and researching artists and art movements
